Please note: According to the MSS regulations, a horse may not start in these events unless it has had at least one satisfactory charted performance line. A satisfactory charted performance line is one performed behind a starting gate in a qualifying or purse event and showing the minimum performance time without a break within 45 days of the event in which he starts. **A horse on the vet list will not be allowed to start.** Time trials, official workouts and uncharted fair lines do not qualify for the above standards and cannot be used to meet the qualifications. No time allowances are given for half-mile tracks, “off” tracks or any other reason. **Absolutely no entries will be accepted after the box closes!** Please make your entries early! **Declaration fees must be paid at the Race Secretary’s office.** We ask that you pay your declaration fees promptly and as far in advance as possible. We suggest that owners give their trainers a copy of this page and the list of eligibles they received. This will ensure that all horses meet the eligibility and declaration deadlines.
